I am well versed in the setup and opening of hospitality businesses such as, hotels and restaurants. I have acquired my real estate license in the state of Massachusetts making me qualified to handle any real estate transaction within the state. I specialize in vacation rental homes on Cape Cod and Martha's Vineyard, and I have an eye for luxury design, form and function. Acquiring my real estate license shows that I have a deeper understanding for the law and can also understand some basic legalese. The skills I have acquired such as real estate, sales, employee management, budget management and even building management are transferable to any number of professions.

I am a good listener and I learn quickly. I ask many questions about my duties so that I may perform the task to meet the highest requirements. I am a caring individual who always strives to do the right thing. I can function on my own as well as participate and be a good team player. I am capable of handling more than one task at a time and have been cited by management for my superior prioritizing and problem-solving skills. I have experience working with software and applications such as Final Cut Pro, Logic, Canva, Adobe, Google Apps, Social Media Apps (Instagram, Facebook etc.) and Microsoft office. Any issues I have in tech I am good at trouble shooting and getting the work done. I finish tasks quickly and invest all of myself into my work. I have a tenacity for finishing the job regardless of the challenges.

I handled and mastered the entire hotel management system (cloudbeds). It was my responsibility to schedule all staff within the hotel (front desk agents & housekeeping) based on occupancy levels. It was my responsibility to manage the work they did and make sure it was all up to standard. This included checking rooms after housekeeping, overseeing reservations to make sure they were taken properly and handle all employee needs within the building. I was also responsible for accounting for Morgan Hotel by handling and keeping records of all transactions and creating invoices. I was also responsible for helping to manage the budget for my hotel. I was responsible for any scheduling of maintenance and contractors and identifying any issues with the building. I was also responsible for inventory and all ordering of any products needed to run the hotel (cleaning supplies, office supplies and items to complete the renovations on the hotel) through services like Guest Supply. I was responsible for all guest relations and all sales inquiries.

**Real Estate Office Assistant, Seacoast Properties** (Edgartown, MA) 3/2023-12/2023. I was initially hired while I was studying for my real estate license. I assisted the other agents with data entry and keeping up with supplies in the office. I assisted guests when helping them to find the agent they were looking for and for passing out any information about our office. I was responsible for organizing spreadsheets for agents to help them keep track of their clients and assisted them with acquiring any needs they had. I also assisted agents in the vacation rental department. I helped match clients with their perfect vacation homes increasing my knowledge in sales experience. As an assistant I assisted other agents increase rental revenue to \$1.14M from \$850,000 in the previous year.

**Real Estate Agent, EXP Realty** (Edgartown, USA) 1/16/2024 to present. I specialize in luxury vacation rentals on Martha's Vineyard. My extensive knowledge and history pertaining to Matha's Vineyard has allowed me to excel in my time working with the market. I hang my license with EXP hoping for a fresh start in 2024. I look forward to helping them achieve their goals. I have multiple clients for whom I manage their properties and secure them vacation rentals.

**Education:** Mayde Creek High school, (Houston TX) 2004-2008, achieved diploma.  
Houston Community College (Houston TX) 2009-2011, Majored in Theatre Production.  
Cape Cod Realty through The CE Shop (Massachusetts) online real estate licensee course. I acquired my license by passing my state and national exams on 1/16/2024. MA license # 9584673

**Additional info:** I have a rich history on the island of Martha's Vineyard in both the hospitality and entertainment industry. As a member of the Shearer Family, who has owned The Inn at Shearer Cottage for six generations in Oak Bluffs, I was often called upon to uphold duties such as house cleaning/maid service, lawn care/gardening and maintenance. I have been proud to work at my family business since my early teenage years and hope to bring my experience to other employers. I have performed as an actress in both Houston and here on Martha's Vineyard. One of my favorite performance credentials was appearing as Lord Montague and as Pot-Pan in the Vineyard Playhouse all-female production of *Romeo and Juliet*. I have experience with media training. In addition to my work and studies in the theater, I have performed as a singer songwriter for seven years. I've written and produced an EP and a full album. In 2020 I founded my own publishing LLC and gained extensive music industry knowledge. I'm a loyal member of ASCAP and attended their music expo conference in 2015. I am a published artist on all major platforms such as iTunes, Spotify, Apple Music, Amazon Music etc. I have experience in creating advertising and content for myself as an artist. I have creatively directed two of my own music videos and have experience using other applications to create. I also thoroughly enjoy creative writing. I have copyrighted many poems and songs. My most recent project has been writing a thriller novel which I've completed over the winter and hope to publish before the end of the year.

My mother was a marketing executive for the Wire & Cable division of the Dow Chemical Company from 1999-2011. She graduated from Rutgers University in 1974 with a major in Marketing & Communications and a minor in English. She raised me with a firm understanding about corporate etiquette. She taught me everything about life and compassion. It is because of her that I have a resilient, upbeat, bubbly personality that my other employers have strongly valued. She tragically passed June 18, 2023.

My Father was a supervisor of design and COO at Nauticon Properties, INC. from 1997-2012. He attended Rutgers University from 1970-1973. He taught me to recognize the basic integrity of a structure and understand terms used in construction which I have used to better assist my clients.
